

## **May 2020 Subscription Concerts to be cancelled**

As part of the measures to prevent the spread of the novel coronavirus infection, the NHK Symphony Orchestra will, with regret, call off the May subscription concerts (all 6 concerts in 3 programs). There will be no performance of any kind (including those without audience) and therefore no FM or TV broadcast live or delayed. We apologize for any inconvenience this may cause to those who have been looking forward to the performances, but we ask for your kind understanding.

Tickets for the concerts will be refunded, so please keep the ticket/s you have purchased safe. As for how to receive the refund, either N-kyo guide or the ticket agency where you purchased the ticket/s will be contacting you sometime later.
